

# AIRSOFT!!

Do you want to kill some 'terrorists'? Play Counter Strike live!  
Survive in a real fallout shelter!

Choose to be a good or a bad guy. Your team has to complete the mission!

Everything is going to happen in Airsoft Arena located in a real surroundings used as real fallout shelter before. You can expect a space bigger than 1000 m<sup>2</sup> with many rooms and halls with military furniture and sound and light effects. There will be two teams competing with each other and trying to beat the other one. Those who 'are killed', can watch the rest of the drama on the screens in a bar.

You will be given all necessary equipment– clothes, masks, helmets, loaded guns. The time of the play is not limited – depends only on the time you need to destroy the target☺.

Important note in the end: GIRLS are more than welcome! You don't need power, you need open mind and good shot.
